

KAROLIS KAŽYS. JŪRA IR AJŪRAS

Vieną kartą Ajūras laivu atvyko į Klaipėdą. Laivas buvo toks didelis!
Štai ir jis! Bet man dar labiau patiko, kad tuo laivu atplaukė mano draugas
Ajūras.

Aš visada norėjau jam parodyti mūsų jūrą, saulę, švyturį... Mūsų vasarą!
...Ir jūrų muziejų. Oi! Kaip nuostabu!

Vos nepamiršome delfinų... Su jais mes tuoj pat susidraugavom!

Nuo delfinų iki kelto mus pavežė arkliukas. Buvo šaunu.

Labai laimingi mes atvykom į darželį! Ten mūsų visi laukė...

Ajūras – mano draugas!

Iki kitos vasaros, Ajūrai! Gera turėti daug draugų... Atia!

KAROLIS KAZYS

THE SEA AND AJUR

ONCE UPON TIME AJUR CAME BY SHIP TO KLAIPEDA. THE WAS VERY
BIG.

HERE HE IS!

WHAT I LIKED MORE THAT MY FRIEN AJUR CAME BY THIS SHIP.

I ALWAYS WANTED TO SHOW HIM OUR SEA, SUN AND THE
LIGHTHOUSE...OUR SUMMER!

AND THE MARITIME MUSEUM.

OH! IT IS WONDERFULL!

WE HAVEN'T FORGOTEN THE DOLPHINS.

WE MADE FRIENDS WITH THEM ON THE SPOT.

FROM THE DOLPHINS TO THE FERRY WE WERE CARRIED BY HORSE.

IT WAS THE STUFF.

WE CAME TO THE NURSERY-SCHOOL VERY HAPPY. EVERYONE WAS
WAITING FOR US.

AJUR – MY FRIEND!

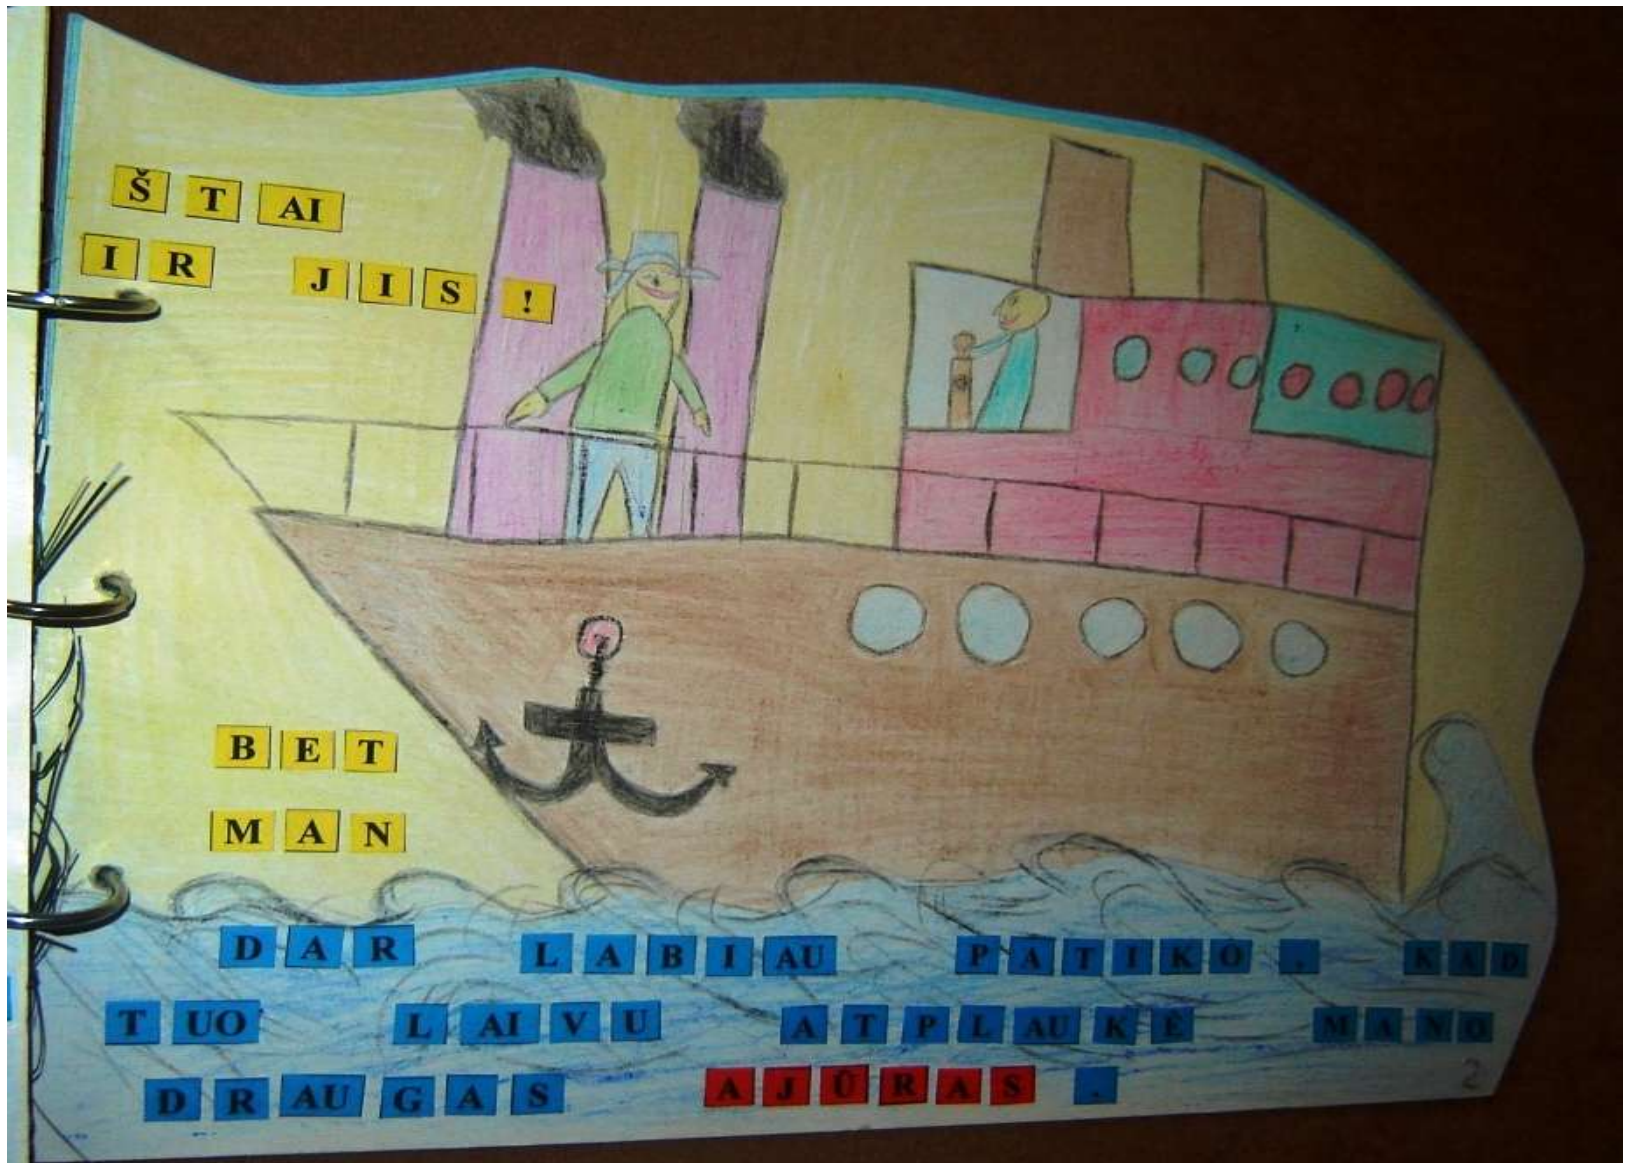

SEE YOU NEXT SUMMER, AJUR!

IT'S WONDERFULL TO HAVE A LOT OF FRIENDS...

BYE!
